FRIENDS OF WRC WOMEN'S RESOURCE CENTER

WOMEN'S RESOURCE CENTER

Serving victims of domestic violence
and sexual assault since 1974

Friends of Women's Resource Center (WRC) realize the effect of family violence on children. They are often the silent victims. Friends of WRC provide additional love and financial support for these children!

The Mission of Friends of WRC is to provide positive, enriching and memorable experiences for the children residing in the WRC transitional and shelter housing through their fundraising and advocacy activities.

WRC provides 30-day emergency residential shelter for battered women and their children offering safe refuge, counseling and supportive services.

Transition House features 21 individual apartments for families and serves as a bridge from shelter refuge to self-sufficiency during a 24-month stay.

Activities of Friends

MEMBERSHIP • FUNDRAISING • VOLUNTEER

Through membership in Friends, members enhance the ability of Women's Resource Center to continue providing quality services for the children who are the victims of domestic violence. The membership dues and fundraising revenues underwrite the special recreational activities for children in residence at the WRC's battered women's shelter and transitional housing facility.

These "Fun Fund" activities, held both at the WRC housing and "off campus," bring smiles to children's faces, laughter to their voices and promote an environment of light-hearted, childhood fun!

Volunteer involvement is vital to the much needed fundraising events for recreational activities and in providing financial support for the agency's operational needs of the children.
