FRIENDS OF WRC
MAKING BETTER TOMORROWS

Friends make a Difference

Friends of WRC realize the effect of family violence on children. They are often the silent victims. Friends of WRC provide additional love and financial support for the children residing in WRC's transitional & shelter housing.

The Mission of Friends of WRC is to make a positive difference in the lives of the children at WRC.

WRC provides 30-day emergency residential shelter for survivors and their children.

Transition House features 21 individual apartments for families and serves as a bridge from shelter refuge to selfsufficiency during a 24-month stay.

Activities of Friends

MEMBERSHIP • FUNDRAISING • VOLUNTEER

Through membership in Friends, members enhance the ability of WRC to continue providing quality services for the children who are the victims of domestic violence. The membership dues and fundraising revenues underwrite special activities, counseling, and benefits for children in residence at WRC's shelter and transitional housing facility.

These activities and projects held both at WRC housing and off-campus, bring smiles to children's faces, laughter to their voices and promote an environment of light-hearted, childhood fun!

Volunteer involvement is vital to the fundraising events providing financial support for the agency's operational needs of the children.
